## MEDICAL REPORT

15/4/2023

**NAME: WILTER ONYANCHA OYAGI IP NO 12019/11030**

**AGE 65 YRS**

**MEMBER.NO:**

### **DX: LUMBAR SPONDYLOSIS/ CHRONIC HYPERTENSION**

The above named patient has been on follow-up in our Orthopaedic & Physician Specialist Clinics for the above diagnoses.

She was first seen on 2/12/2021 with a bilateral lower limb radiculopathy and admitted. Over the course of her treatment she has undergone marked improvement; however she continues to be under strict follow-up due to the chronic nature of her ailment.

She requires periodic physiotherapy, orthopaedic and neuro-review.

Please accord her the necessary assistance.
