

Internet for Business

What is Internet For Business?

✓

What packages can I subscribe to?

—

You can subscribe to the following packages on a postpay or prepay plan:

INTERNET PACKAGE	FIBRE - PRICE (Incl Taxes) (Free router included)	LTE - PRICE (Incl Taxes) (Equipment sold separately)
Internet for Business 3 Mbps	KES 4,100/-	KES 3,699*/-
Internet for Business 5 Mbps	KES 5,799/-	KES 5,799/-
Internet for Business 10 Mbps	KES 15,699/-	Not available

Fair Usage Policy (FUP) means that the 3 Mbps package has a data usage limit of 100Gb. When exhausted, you will continue to access the internet at slower speed of 1 Mbps for a further 100Gb until you renew payment. The table below illustrates the Fair Usage Policy.

LTE Package	Price(incl. taxes)	Usage limit	Min	Max)	Usage after limit
Internet for Business 3Mbps LTE (Postpaid)	KES 3,999/-	100 GB	2 Mbps	5 Mbps	100GB @1 Mbps

Where can I get this service?

✓

What equipment is installed at the customer premise?

✕

Hi I am zuri 🙋, how can I help you today?

How long will it take before Internet for Business service is installed at my premise?

✓

Is there any installation fees?

✓

How does billing work?

✓

How can I pay for my bill?
